LIGHTS UP

Two woman knights are sword fighting downstage right to center. There are two princes waiting stage left.

CRYSTAL  
Your horrid beast, how dare you try  
to woo my prince!

SARAH  
You don't even like him!

CRYSTAL  
I must defend the honor of my  
house! Why do you want him?!

SARAH  
Do you know how hard it is to find  
a man that can cook a good roast  
mutton and owns farmland south of  
the valley?

They both pause and look over. Sully gives an effeminate wave. They return to fighting.

SARAH (CONT'D)  
And You, you defiler. You bring  
shame to my family when you court  
my husband!

CRYSTAL  
But only he knows how to rub my  
feet properly at the end of the day  
AND controls an important ferry  
crossing!

They both pause and look over to the men. Panko swoons and blows a kiss.

SARAH  
Ok hold on.

Sarah puts down her sword. Crystal takes a second, but then puts her sword down.

CRYSTAL  
So you want my husband?

SARAH  
And you want my husband?

CRYSTAL

Well, what are we waiting for?  
Let's head to the Abbey and get our  
old vows annulled....

SARAH

And say some new ones! Huzzah!!

High fives all around.

CRYSTAL

Do we care what they think about  
all this?

SARAH

Why, it's just a property swap?

Lights down.
